

Welcome to Year 1

Our Vision

At Southfields, we aspire to deliver the very best educational experience for our pupils. We know that outcomes for our pupils extend beyond the academic, to include our pupils' social, emotional and personal development and to provide them with the best possible grounding as they move into the next phase of their education. Through promoting inclusion for all, we prepare our children to contribute fully to life in modern Britain. Our talented and amazing staff are passionate at immersing our children in a wide range of experiences that draw upon our rich links with the local community. We believe wholeheartedly in developing the physical and mental wellbeing of our children and promote a culture of success for all.
